### **LOCATION OF THE SCHOOL**

The School in which the conference is being held is just off the A38 in Edgbaston, near to the City Centre. It can be easily reached by car and there is ample parking at the School.

It can also be reached by train from Birmingham New Street Station by taking the 'shuttle' train to University which runs every 10 minutes and is about an 8 minute journey. From there it is a walk of about 10 minutes through the University Campus to the School. This walk is flat, although there is short flight of about 7 or 8 steps part way along but there is a ramp along side for those who find steps difficult.

Fuller details will be sent with booking confirmation.
